Use this strategy for an **UNREAL** test score

Underline the keywords in the question and label the title

Number the paragraphs and chunk the text

Read the passage **TWO** times

1. Just read it
2. Gist statements

Evaluate the answer choices
- Slash your trash
- 50/50
- Find the answer in the text

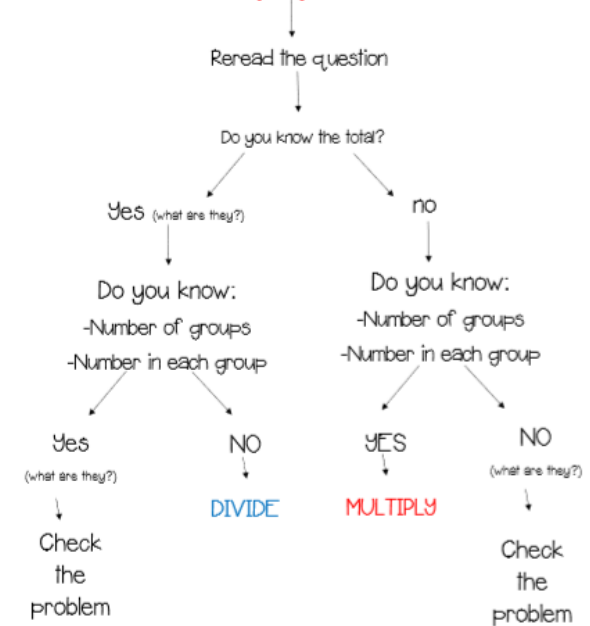

Answer all questions by **LOOKING** back in the text

Look over your work!
Are you proud?

To close read a passage:

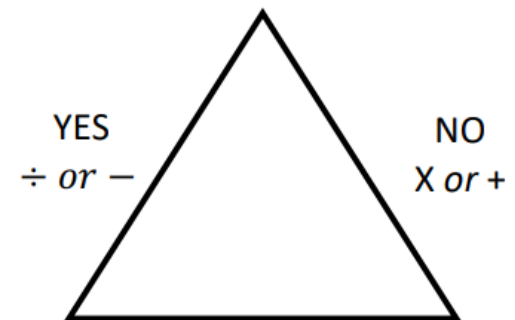

To determine between multiplication and division:

Do I **multiply** or **divide**?

Determine the operation:

Do you have a total?

SOLVE IT!
